We hope every Senior attends the Class of 2019 Picnic, Seniors & Parents Picnic, Prom, and Grad Night! Aside from having fun and making great memories, every Senior's participation makes a difference in our event budgets, which are solely based on ticket sales. This is a significant challenge for event planning, as there are many basic fixed costs, no matter how many students are in the class, leaving less funds for the fun stuff that adds to the spirit of the events. Please know that we are very mindful of stretching the dollars and spending wisely. You are welcome to pay for all events up front or spread the costs out over the year. We would like to collect checks however, versus using the store, for better tracking and to save on credit card processing fees.

In further effort to develop adequate Prom and Grad Night budgets, we will be announcing more information about opportunities to underwrite specific features of each event. Donations for event prizes and services in kind are also needed and appreciated! Finally, we want to ensure everyone can attend these events, regardless of financial need, and scholarships are offered, coordinated by the school administration. If you feel you can contribute a little extra to the scholarship fund, we would be grateful.
